

*Time is moving on and Christmas will be upon us soon, some of you may be looking for Christmas inspiration or just wanting it to be over as soon as possible. Either way I am involved with three exhibitions on the run up to Christmas and they may be of interest to you, for gifts or just escapism. Hope to see you at any of these interesting events. In any case, here's wishing you all, a great Christmas and a Happy New Year. Sweet Blessings

'Going with the Flow' from the Where are we going Exhibition

## 'Where are we Going' U.K. Tour

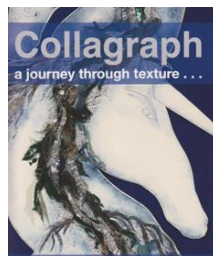

At St David's Cathedral  
Haverfordwest, Pembrokeshire, Wales  
SA62 6RH Dec 14<sup>th</sup> – Jan 5<sup>th</sup>  
My solo exhibition with thought provoking poetry goes to Wales. The Exhibition in Walkern was a great success and many came to look at the images, hear the poetry, feel the gong being played with such moving power by Sue Bear, it has now moved to the beautiful St .David Cathedral in Wales. Such a great place to exhibit. I have three more venues who are happy to take the touring exhibition for 2013 so the message will go on throughout 2013 . We will be connecting on 21<sup>st</sup> Dec with the Global shift hoping for a smooth transition into the new Era, starting on the 22<sup>nd</sup> Dec.

I have put the image of 'Going with the flow' to help you all get through what ever you are doing during this interesting time or maybe just the tromour of Christmas.
