

Trying to get this out for the Easter break, but cutting it fine ! Had a very successful Pop up Gallery in Harpenden - lots of visitors and sales even though we had the snow to contend with, on both set up and break down days - certainly tried our patience but, the British bulldog spirit came through, and we battled on !

Had to go straight into the studio to create two new designs to replace the sales from Harpenden - still waiting for the mounts and frames.

Lots of exhibitions coming up, the first is 'Spring Creation' at the Milton Keynes Middleton hall- I have a big stand. Only on for 3 days but should be busy, 20th 21st 22nd April. Then the popular Kimpton Art Fair - 4th 5th 6th 7th May. 'The Big Art Fair' in Hitchin town hall connected to the HVAF, only 3 days 13th 14th 15th July and then another Pop Up gallery in June - still working through the details. I will send out a separate email with details.

Check out my Summer workshop - only a few places left - well, that's half the year over already !.
