

I have titled this newsletter pre Spring, as I want this newsletter not to have winter on the top - silly I know, but it is raining and cold outside and the real spring is still a long way off.
I am sure you all had a very busy Christmas and if you are in the art business- as I am, you have been setting out your plans for 2017, lots of exhibitions booked already – going to be a busy year !

I certainly have been busy with 3 commissions over the Christmas period, some good sales and finally finished the first book in the Master class booklets series. Meeting with my graphic designer next week to hand over the text and my home made layout for the book for her to miraculously turn my sketched pencil marks for tints, vignette's, and shadows on text boxes etc via Photoshop into reality – she is great . Then it is another proof read, then off to the printers !

Also, a peep look at my new 'Shadow of Fire' part of the Elegant Universe collection to be exhibited later this year . Plate and finished print, it will be mounted with black board so a very different look than any of my other Elegant Universe pieces or indeed any of my previous work - ' Shadow of Ice' next ! - very pleased with results.

Newsletter Kim Major-GeorgePre Spring 2017
