

Hope you are all enjoying the lovely hot weather, before we put on our coats again. We have been on holiday so only just back and I have been in the studio replacing the good sales from the Pop up Gallery in Harpenden and the Kimpton Art show. The Spring Creation event was not so good, even though I had a big stand opposite John Lewis, just not enough footfall, everyone was complaining and it was a hot day so I think people thought.. .. I will stay at home.

I was hoping to inform you of our next Pop up gallery in July but still negotiating with the shop owners, so I will email you separately, if it comes off.

Hope to see you at the Big Art Fair in Hitchin - see section below, should be a great event connected to Hitchin festival.

My Summer workshops are full so I have put in the Autumn workshop dates.

I am winding down my workshops so, if you always wanted to come to one of my collagraph workshops, better get in quick .
